STANDARD LIMITED WARRANTY ON NEW GWM VEHICLES

The first owner and all subsequent owners of the vehicle during the warranty period are entitled to the benefits of the GWM Standard Limited Warranty.

WHAT IS COVERED

- a) It is warranted that each new GWM vehicle supplied by manufacturer will be free of defects in materials or manufacturer's workmanship during the warranty period.
- b) Any officially appointed GWM dealer will make any repairs, using new or remanufactured parts, to correct defects covered by this warranty.
- c) Except as otherwise indicated, this warranty covers your GWM vehicle for 7 years/150,000 kilometres, from the registration date of the vehicle, or the date the vehicle is first put in use, whichever is earlier.
- d) Warranty repairs (parts and labour) will be made at no charge.
A reasonable time must be allowed after taking the vehicle to the dealer for repairs.

WHAT IS NOT COVERED

- a) Defects, malfunctions or failures following overloading, rallying or racing, speed trials, track use without prior authorisation from GWM, negligence, modification, alteration, tampering, disconnection, improper adjustments or repairs, accidents, installation of parts not equivalent in quality and design to parts supplied by GWM, add-on parts, improper maintenance or use of fluids, oils and/or lubricants other than those recommended.
- b) Cleaning and polishing, replacement of filters, worn brakes and any item performed under normal maintenance services. For full details see schedule of inspection and maintenance services contained in this booklet.
- c) Inconvenience, expenses or commercial losses, resulting from the loss of use of the vehicle (including, but not limited to, lodging bills, car rentals, breakdown recovery charges, other travel costs, loss of pay or other incidental or consequential damages).
- d) 'Environmental damages' resulting from airborne 'Fallout' (e.g. chemicals, tree sap, bird droppings etc), salt, hail, windstorms, lightning, etc.
- e) Any vehicle on which the odometer reading has been tampered with or altered in order to misrepresent the actual distance driven.
- f) Routine recharging of air conditioning refrigerant is not covered unless it is required as part of a warranty repair.
- g) The paint warranty excludes environmental damage and corrosion caused by stone/gravel impacts or salt/sea air damage.

OWNER'S RESPONSIBILITIES

- a) As an owner of a GWM vehicle, you are responsible for taking your GWM to an officially appointed dealer or reputable service agent to obtain vehicle service. However warranty repairs must only be undertaken by an officially appointed GWM Dealer.
- b) You are responsible for the proper operation of your GWM vehicle and its care and maintenance in accordance with the instructions found in the schedule inspection and maintenance services contained in this booklet. Failure to adhere to the service schedule may result in your warranty being invalidated.
- c) You are responsible for keeping maintenance records since it may be necessary to confirm that the required maintenance has been performed on your vehicle.
- d) To maintain your vehicle to the highest standards, warranty repairs can only be undertaken at Authorised GWM Dealers and Repairers as listed on the GWM website.
- e) Following off-road use you must examine the underside of your vehicle for damage. Pay particular attention to any grass that may have collected around the braking, steering, drivetrain or suspension components.
- f) Regular cleaning and polishing.

THINGS YOU SHOULD KNOW

GENERAL

- a) Pursuant to this warranty, it is the intent of GWM to repair, without charge, any fault that develops during the warranty period, as a result of any defect in materials or manufacturer's workmanship. This includes replacing service supplies (e.g. coolant, refrigerant, etc) if necessary, when making these repairs, providing the vehicle is not due for a service.
- b) Please note the distinction between the terms 'defect' and 'damage' as used in this warranty: 'defects' are covered because GWM accept responsibility for any faulty materials or manufacturer's workmanship on any qualifying GWM vehicle we have supplied. However, since GWM has no control over 'damages' caused by, for example, collision, misuse or lack of maintenance which occur after your GWM vehicle is delivered to you, these damages are not covered by this warranty.
- c) Normal maintenance is excluded from coverage under the warranty because it is the owner's responsibility to maintain the vehicle in accordance with the schedule of inspection and maintenance services contained in this booklet.
- d) For continued correct operation please ensure that air conditioning is operated regularly please see owner's manual for details.

SHEET METAL, PAINT AND OTHER APPEARANCE ITEMS

Sheet Metal, paint and other appearance defects in your vehicle at the time of its delivery to you are covered by this warranty. However, for your protection, if you do find any such defects, advise your GWM dealer immediately, since normal deterioration of your vehicle's appearance due to its use and exposure to the elements is not covered by this warranty.

PAINTWORK WARRANTY

The paintwork on your GWM is warranted for 5 years unlimited mileage against manufacturing defects in the paint material, paint treatment or corrosion on the panel surfaces.

HIGH VOLTAGE BATTERY WARRANTY

The High Voltage Battery on your GWM is warranted for 8 years either/ or 160,000 kilometres (whichever occurs first) against manufacturing defects. During the vehicles usage some battery capacity degradation will occur. This is normal and is not considered a manufacturing defect is covered, provided that the State of Health (SoH) remains above 70% for the duration of the warranty period.

PRODUCTION CHANGES

The manufacturers, and officially appointed GWM dealers reserve the right to make changes in vehicles built and/or sold by them at any time without incurring any obligation to make the same or similar changes on vehicles previously built and/or sold by them.

The statements contained herein do not affect consumer statutory rights and are in addition to any other remedies the owner may have under law.

CAUTION

- 1) The regular maintenance should being registered by authorized GWM Dealers or Repairers.
- 2) If the fuel you use contains impurities, the spark plugs will need to be replaced more often. If the engine idling speed is found to be unstable, the spark plugs may need to be cleaned or replaced.
- 3) Since airbags are safety features, they do not require regular maintenance. However your vehicle is 10 years old, please visit a service provider to have them checked or replaced.
- 4) Due to differences in model configurations, some service items may not apply to the vehicle you purchased, please use the standard appropriate to your actual vehicle.
- 5) GWM will not be liable for the consequences of failing to have the vehicle serviced by an authorised dealer or service provider by the stipulated time or kilometres.
- 6) Check the brake discs for cracks, especially on the friction surface and edges. Replace if any cracks are observed, as they can compromise safety.

TO THE GWM OWNER

Your new GWM has been treated during manufacture to protect it against corrosion perforation and this together with the programme outlined in this booklet enables GWM to offer you the benefit of a twelve years unlimited kilometre warranty against rusting of the body panels or bodywork structure from internal to external surfaces (see terms and conditions).

Adhering to this programme will not only increase the service life of your vehicle, but a fully validated warranty booklet will also serve to enhance its resale value. It is therefore to your benefit to spend a few minutes of your time familiarising yourself with the terms and conditions of the warranty.

Even though this warranty expires after twelve years, we strongly recommend that you continue to have body inspection/services carried out at the prescribed intervals in order to increase your vehicle's service life and its resale value.

BODYWORK CARE AND MAINTENANCE

Your vehicle has been designed and built to resist corrosion perforation. Regular care and maintenance will continue to ensure the effectiveness of the corrosion perforation protection.

The recommendations set out below should therefore be followed:

- Clean and polish the vehicle regularly and attend to any chips or scratches in the paintwork.
- Remove any compacted mud and hose the inside of the wheel arches regularly.
- The underside of the vehicle and the wheel arches should be thoroughly cleaned at least once a year, preferably after the winter.
- Cleaning additives that contain strong solvents or petroleum should not be used.

THE TWELVE YEAR CORROSION PERFORATION WARRANTY

TERMS AND CONDITIONS

WARRANTY PERIOD

GWM hereby guarantee the vehicle specified in this booklet against rusting of the body panels or bodywork structure from internal surfaces to external surfaces for a period of twelve years unlimited kilometres from the original registration date or the date the vehicle was used whichever occurs first subject to the terms and conditions set out in this booklet.

BODY SERVICES

The vehicle must be presented to an officially appointed GWM dealer or reputable service agent at the following intervals for inspection, and if necessary USING EXCLUSIVELY MATERIALS APPROVED BY GWM or of a certified equivalent quality.

- 1) 24 months after initial registration
- 2) 48 months after initial registration
- 3) 72 months after initial registration
- 4) 96 months after initial registration
- 5) 120 months after initial registration
- 6) 144 months after initial registration

Each of these inspection services must be performed within 2 month either side of the anniversary date of the vehicle's registration.

The cost of the service is to be borne by the customer at the rate prevailing at the time of the service.

(Consult your local GWM dealer for details).

If the body services are not performed within the specified time limit, this warranty will be rendered null and void and cannot be reinstated by subsequent service.

CLAIMS PROCEDURE

If an owner wishes to make a claim under the terms of the warranty the vehicle and this booklet should be presented to a GWM dealer within thirty days of the rust damage becoming apparent. Any action deemed appropriate by the dealer will then be taken.

GWM shall not be liable for any additional rust damage caused by the failure of the owner to present the vehicle to a GWM dealer within the 30 day period.

BODY REPAIRS AND / OR REPLACEMENTS

Should any part of the bodywork covered by this warranty require replacement, or if any such part is modified in any way, then these parts must be treated by a GWM dealer within 14 days of such replacement or modification. The cost of such treatment will be borne by the vehicle owner save in the case where repairs or any replacement is effected pursuant to this warranty when the cost of the treatment will be borne by GWM.

Failure to treat such parts of the vehicle USING MATERIALS APPROVED BY GWM, or parts of a certified equivalent quality will invalidate the warranty on the components repairs, replaced or modified.

LIMITATIONS

The liability of GWM under this warranty shall be limited to:

- a) The repairs or replacement of parts affected by corrosion perforation damage as deemed necessary by GWM which shall be carried out by a repairer approved by GWM.
- b) The cost of treatment of such repairs or replaced parts.
- c) The maximum aggregate liability of GWM in respect of all claims made under this warranty shall not be in excess of two thirds of the trade value of the vehicle as specified in market value at the time of repair. Once the payment of the maximum claim amount has been made this warranty shall be rendered null and void.

Under no circumstances shall GWM be liable for any consequential loss however caused.

EXCLUSIONS

This warranty is not applicable to:

- a) Any vehicle used for motor sport competitions or which are subject to abnormal operating conditions.
- b) Corrosion perforation damage to vehicles used in conditions which makes them susceptible to accelerate corrosion, e.g.exposure to acids, salts, chemical or corrosive agents.
- c) Corrosion perforation damage to suspension components, brightwork,attaching parts and any other mechanical parts.
- d) Damage caused by external corrosion perforation or inward penetration of the paintwork by corrosion perforation.
- e) Rust damage to parts of the vehicle which due to the vehicle's construction cannot be rustproofed.
- f) Abrasions and stone chips that are left unattended can cause extensive damage and as such damage is not covered under the terms of this guarantee. It is imperative that such blemishes are attended to with the minimum possible delay.

GENERAL

This warranty is transferable but you are asked to advise GWM of any changes of ownership.

This warranty is in addition to any recourse you may have under law and in no way affects or limits your statutory rights.
